<sup>1</sup> Essentially self-supporting operations of institutions that furnish a service to students, faculty, or staff, such as residence halls and food services.<sup>2</sup> Excludes tuition and fee allowances and agency transactions, such as student awards made from contributed funds or grant funds.<sup>3</sup> Doctoral, intensive institutions are committed to education through the doctorate and award at least 10 doctoral degrees per year across 3 or more disciplines or at least 20 doctoral degrees overall.<sup>4</sup> Master's institutions offer a full range of baccalaureate programs and are committed to education through the master's degree. They award at least 20 master's degrees per year.<sup>5</sup> Baccalaureate institutions primarily emphasize undergraduate education.<sup>6</sup> Specialized 4-year institutions award degrees primarily in single fields of study, such as medicine, business, fine arts, theology and engineering. Includes some institutions which have 4-year programs, but have not reported sufficient data to identify program category. Also includes institutions classified as 4-year under the IPEDS system, which had been classified as 2-year in the Carnegie system because they primarily award associate degrees.
